Departmental Heads of the Status of Deputy Commissioners have lot of powers Govt can safely invest the Municipal Commissioners with powers for disposing of routine matters and concentrate more on fundamental problems In other words, decentralisation of powers in this behalf appears to be very desirable A separate note in this behalf will be sent up if the Principle is agreed to.

Subject - Amendment of the Byelaw regarding grant of license to Hotels and Restaurants etc so as to provide for the insistence on the use of uniforms by servers

C M 27 - 53 - 137.

Adverting to Official Memorandum No L 1677-89/CM 38-52-2 dated 5-5-1952 regarding the wearing of uniforms by servers in Hotels Restaurants etc I write to state that there was no definite provision in the existing byelaws empowering the Municipal authorities to insist upon the same On the recommendation of the Municipal Advocate and the Health Committee the Council approved of the amendment to the existing byelaw No7 as duly notified in the Official Gazette dated 6-12-1952 calling for objections ~~of~~ three copies of the Notification also are enclosed Objections were received from the Mysore City Hotels Association that the amendment proposed works as a hardship For it means additional heavy expenditure to them on account of the fact that at least four sets have to be provided for each of the servers at a time and that due to frequent change of incumbents caused by their leaving services or otherwise there are ~~pos~~ possibilities of many a set becoming useless etc A copy of the objection is enclosed The above representation was examined by the Health Committee who were requested to interview the Proprietors as per council resolution No 1209/5-3-1953 The Proprietors of the Hotels to whom, the necessity of the amendment to the byelaw was explained, agreed to the proposals but requested that they may be permitted to have their cleaners

onl workers in the kitchen dressed in colou ed uniforms As the amendment of the bylaw applied onl to servers and food-handlers in the Hotels and did not appl, to cleaners and workers in kitchen, it was felt that the suggestion regarding coloured uniforms being worn by the latter right be allowed as a matter of course The Council therefore app oved of the ecommendations of the Ialth Committee in this behalf at their meeting held on 30-4-1953

I enclose a cop of the resolution and the objections and request that orders of Government may kindly be obtained approving the proposed amendment as notified

Date 2nd January 19 53

To

Janab F. M. Abdul Rahim, B.A.,
Municipal Commissioner,
MYSORE

Dear Sir,

The Mysore City Hotels Association represents 109 Hotels and Restaurants of Mysore City, the printed list of the names of which are enclosed herein for your kind information.

I am directed to submit to you the following resolutions passed unanimously at their General-Body meeting held to consider the feasability or otherwise of the proposed change of Bye-Law, Rule 7, condition 4, published by the Municipal Council in "VIJAYA" Patrike on 9th December 1952 as per Notification No. C 2 Ml Adv. 8/52-53 dated the 3rd December 1952.

After a thorough discussion by all the members of the Associati it was unanimously resolved that the Bye-Law Rule 7 Condition 4 should under no circumstances be changed as now proposed in the said Municipal Commissioner's Notification No: C 2 Ml Adv: 8/52-53 dated the 3rd December 1952 (published in "VIJAYA" Patrike on 9th December 1952) for the following among other reasons :-

(1) If the Priprietors insist on the use of Uniform Dress by Workers as proposed in Municipal Commissioner's Notification, then it will fall to the ill-luck of the Proprietors to supply such Uniforms to the Workers at the cost of the Proprietors

(2) To keep the said Uniform scrupulously clean and frequently washed clean, as published in the Notification, at-least Four Sets of Uniforms are to be supplied to each Worker, which will entail on the Proprietor an enormous cost.

(3) Out of the Staff in any Hotel or Restaurant nearly 90% of the Workers will be changing quite often and only 10 % of the Staff will be nearly permanently sticking themselves to their appointments, and hence the Uniforms of the Workers who leave the service will not suit the Workers who will be appointed afresh as the Sizes of Uniforms usually differ.

(4) One Worker will not use the clothes of those who leave the service and it will be an absolute waste and the Newly appointed Workers will also have to be supplied New Uniforms which is practically impossible.

(5) That apart it will not be Free and Easy for the Workers to do their Serving Work with ease wearing the Uniform Dress as published in the Notification since a Worker will have to continuously work, at a time not less than four hours in a shift, and that he should work eight hours a day in two shifts.

Under these circumstances, the Bye-Law as proposed in the Notification should not be changed and should remain as at present.

In conclusion, it is unanimously resolved that since almost all the important Hotels of Mysore City are the members of the Mysore City Hotels Association, this protest should be treated as representative of all individual Proprietors of all the Hotels whose list is enclosed herewith.

The Association further resolved that an interview with five members of the above Association may kindly be given at the time of deciding this subject so that they may have a chance to submit their representation in the matter.

Thanking you in anticipation.

Yours faithfully,

Hon: Secretary
